School of World Mission
and

Hispanic Ministries Department: Thanks for leading the Community Day chapel services on May 13th and 20th respectively. As you share your faith and vision with the Fuller community, we continue to be encouraged, blessed, and challenged by your ministry among us!

11% Increase in Student Fees: As a result of increased services(eg. ASC subsidized counseling for students at PCCC; support for the Spiritual Life Committee), increased activities(eg. Mission Concerns Mission Conference), rising costs in an economy of 18%+ inflation(eg. tuition stipends, cost of supplies, Catalyst), and a slight decrease in the projected student enrollment for 1980-81(from 940 to 900 full time students), the ASC voted unanimously to raise student fees from \$18 to \$20 per quarter, an increase of 11%.

Before last year's increase, student fees had not been increased for a number of years; the large 79-80 increase attempted to compensate for the decreasing buying power resulting from several years of stable fees in a period of rising costs. After examining all of the 80-81 budget proposals, with a view toward streamlining operations but also increasing services, the Finance Committee felt the ASC should avoid unmanageable increases in the future by raising student fees \$2/quarter for 80-81. Students were represented on the ASC Finance Committee by the three ASC officers(Karl Kling, Steve Murray, Bill Walker, Treasurer and Committee Chairperson), Psychology GU representative Randy Sorenson, Theology GU President Rob Caudillo, and Mission GU Vice-President Jim Heaton/Neil Hicks. If you have any questions about the 80-81 ASC budget, please do not hesitate to contact your representative on the Finance Committee.

For your information, an itemized budget for each student organization is posted on the ASC Bulletin Board(to the left of the Board of Declaration, inbetween the mailroom and the refectory) along with the All-Seminary Council budget. I ask you to look the budgets over carefully and let me know your response.

Note From Student Health Coordinator-Mandatory Health Fee: As the Health Coordinator, I find myself struggling with any fee which is labelled "mandatory." I therefore have felt comfortable in these three formulative years in having the Health Service and subsequent salary's exist solely on students generosity through donations. My vision though, has been that when I leave Fuller, a stable and quality Health Service designed to meet student needs would remain. It seems that this could best be accomplished if the Health Service became a part of the institution as a "staff position" rather than continue functioning under the ASC. Stable funds must be generated therefore in order for the discounted services(dental, optometry, gynecology, chiropractic, pediatrician, specialists, etc.) as well as the insurance advocacy, and maintaining the new relationship with the Glendale clinic to continue. It is my experience that most students, whether they anticipate using the referrals or not, utilize some aspect of the Health Service during the year; hence the mandatory fee. The likely alternative, as I see it, is to not offer many of the services now in existence. If individuals have reasons for not paying the \$2.00 and will never use the service, I am suggesting a waiver petition be available. If you would like to further discuss this issue, please feel free to contact me, Vicki Van Horn, box 38, or Karl Kling, box 531.

Out of Town: I will be attending the General Assembly of the United Presbyterian Church in Detroit, and will be gone from Saturday, May 24 to Tuesday, June 3. Should you need to contact an ASC representative during this time, please drop a note or call: Steve Murray (#827, 793-6600) or Bill Walker(1158, 793-2991).

Hang In There!
